Derek Polsfut
Techmation Electric & Controls Ltd.
117 Kingsview Road SE
AIRDRIE AB T4A 0A8

Dear Mr. Polsfut:

RE: Techmation Electric & Controls Ltd. - \$4,000 contribution in support of Youth Apprenticeship Industry Scholarship Program

Thank you for the generous sponsorship contribution of \$4,000 in support of Youth Apprenticeship Industry Scholarships in Saskatchewan. This letter serves as your tax deductible receipt.

The generosity of Techmation Electric & Controls Ltd. is recognized as a forward-thinking example of industry leadership in promoting and encouraging Saskatchewan youth to enter into the skilled trades. These funds will help high school graduates achieve their skilled trade career goals.

As a scholarship sponsor of a "named scholarship," you will be notified of the scholarship recipient and the high school that they are graduating from. The high school will be encouraged to provide the opportunity for a Techmation representative to present the scholarship at a graduation ceremony or similar event.

Thank you once again for your support of apprenticeship and trade certification, and the career development of Saskatchewan youth.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Jeff Ritter', written over a light blue circular watermark.

Jeff Ritter, CEO

2016

In Recognition of
